Pre-Op Instructions

The Eye Surgery Center will contact you one week prior to your surgery date for your arrival time.

Take time a few days before your scheduled procedure to make special arrangements for:

- ✓ A family member or friend to accompany you to the center. You must have a responsible adult remain at the facility during your procedure.
- ✓ Please review the Pre-Operative Instruction Sheet and Checklist Before Leaving Home prior to your arrival to aid you in preparing for your procedure.

The day of your procedure: You **MUST** have a responsible driver. The driver **MUST** stay at the surgery center for the entire time. Your procedure **WILL NOT** begin without a driver present. Failure to have such a driver will result in the cancellation of your surgery.

- 1. You may eat UP TO 7 hours prior to your scheduled arrival time. Failure to follow this guideline may result in cancellation of your surgery.**
2. DO NOT use tobacco, chew gum or eat hard candy less than 7 hours before your surgery.
3. You may drink **specific liquids** UP TO 2 hours prior to your arrival. This includes water, Sprite, clear tea with no sugar, or black coffee with no cream or sugar. If you drink anything less than 2 hours prior to your arrival, your surgery will be cancelled.
4. Please do not bring any valuables with you for your procedure.
5. Take your medications for your heart, blood pressure, reflux, asthma, and/or seizures.
6. If you are a diabetic, DO NOT take your medications but do bring them with you.
7. Bring a list of all medications including dosages you currently take and a list of allergies.
8. Bring your eye drops with you (you will get instructions on how to use these in discharge.)
9. Bring your Insurance Cards and Driver's License or photo identification.
10. DO NOT wear any makeup or contact lenses. Please remove all jewelry.
11. Wear warm and loose fitted clothing.
